Bands at Illinois State University

The Illinois State University Marching Band, "The Big Red Marching Machine," has a long and proud history of performances at major events at home and across the Midwest. Each year, in addition to performing at all home football games and for over 4,000 high school band members at the State of Illinois Invitational High School Marching Band Championship, the "Pride of Illinois" travels to an away ISU football game and a Chicago Bears game. The band has also performed in a featured exhibition for the Bands of America Grand Nationals at the RCA Dome in Indianapolis, IN. The "Big Red" is open to all Illinois State University students and is comprised of winds, percussion, colorguard, and dancers.

The Wind Symphony and *Symphonic Winds* are select groups of the finest instrumentalists at Illinois State University, performing outstanding and representative works in all styles from "classical" to "avant-garde." In addition to campus programs, the Wind Symphony tours annually. The Wind Symphony has been a featured performing ensemble at the American Bandmasters Association Convention, the Illinois Music Educators Association Conference and the College Band Directors National Association National Convention. Membership for both ensembles is by audition only and is open to all Illinois State University students.

The Symphonic Bands are comprised of approximately 80 outstanding wind and percussion players from across campus. They perform quality band literature and present two concerts each semester. These organizations rehearse two to three times per week. Membership is by audition only and is open to all Illinois State University students.

The University Band is comprised primarily of non-music major and music majors gaining experience on a secondary instrument. This ensemble provides students the opportunity to continue playing while devoting the major portion of their time to other academic disciplines. This organization rehearses one evening per week and presents one concert at the end of each term on campus. Membership is open to all Illinois State University students.

The ISU Jazz Band is a select group of approximately 20 musicians who make up a fully instrumentated "big band." Emphasis is placed upon the study of diverse jazz styles and literature, ensemble performance and improvisation. The band has been awarded outstanding performance honors in group and individual categories at numerous festivals across the Midwest. The ISU Jazz Band schedules numerous performances both on and off campus.

Chamber Winds is a select ensemble divided into numerous quartets and quintets which are coached by members of the applied music faculty at ISU. The collective ensembles perform a diverse repertoire and concertize both on and off campus. Membership is by audition only and is open to all Illinois State University students.

The ISU Pep Band provides spirit and enthusiasm at all ISU men's and women's home basketball games as well as various other events on campus and in the community. Members from this band accompany the ISU basketball teams to the NCAA and NIT tournaments. Membership is open to all students who participate in another band during the academic year.
